

Tamworth Athletic Club

Tamworth Athletic Club was founded in April 1974 and moved to its present site in the 1980's. We are one of the few clubs in the country who own, manage and have total control over their facility.

We are a voluntary, non-profit making organisation with CASC status (Community Amateur Sports Club). Coaches, Coaching Assistants, Bar Staff, Officials, Team Managers, Volunteers and Committee Members all give their time freely; without this the Club would not exist.

Tamworth AC draws members mainly from South Staffs, North Warks, Leics and South Derbys. We are an independent club owning our own track and clubhouse and were the first club to obtain lottery funding. Our 8 lane, 400 m, floodlit all weather track with full field facilities, together with our well appointed clubhouse, provides an ideal environment for our members, aged from 8 years upwards, to enjoy their athletics.

Athletes compete in cross country, sports hall, race walking, road running and track & field competitions and leagues, both indoor and outdoor, at a number of levels including Midlands Counties, English Schools, National & International.

Since 1992 the club has invested over half a million pounds in providing facilities. The continued success and growth of our club, combined with good management has given a solid foundation for the next stage of its development. The plans for a new indoor facility to be built at the Marlborough Way Stadium are well advanced, and will include an indoor running straight, jumping pits and throwing nets and will provide the club and the local community with a valuable indoor space for years to come.

Membership is open for all aged 8 and over and all members are encouraged to compete and become actively involved. Competition is available for members from the age of 10 years up to and including veterans. Organised coaching is available through the direction of the coaching co-ordinator.

As a private members club we ask that you observe the requirements of membership; that is paying annual membership on time (April 1st) ; paying your training fees; observing track etiquette when training and when competing ensure that you are a credit not only to yourself but to the club and to Tamworth.

Mission Statement

Tamworth Athletic Club through its committee aims to continue improving the stadium facilities and to offer the highest standards of coaching and competition possible so that all members have the opportunity to become better athletes than they were yesterday

Application Source: TAC Website

I hereby make formal application to the committee of Tamworth Athletic Club to consider me for membership.
I declare that I am an amateur in accordance with the rules laid down by the governing body, which requires that I shall not have made any financial gain / reward from my participation in, or exploitation of the sport of athletics.
I agree to abide by the club rules.
